

Absolutely! Below, I've prepared a **clean, ATS-compatible resume** in text format, tailored for **MS Word or PDF export**. This resume uses only bolding and simple spacing with no columns, tables, or graphics. You can copy this into MS Word, then "Save As" PDF, and it will remain entirely ATS friendly.

Ryda Sundila

Kalamazoo, Michigan, United States

sundilar@msu.edu | www.linkedin.com/in/ryda-sundila

SUMMARY

User Experience Designer and Frontend Developer with experience crafting enterprise digital tools, internal platforms, and highly accessible user interfaces. Proven ability in UX research, modern frontend frameworks (React, Angular, TypeScript), component libraries, and designing in alignment with WCAG 2.1. Adept at collaborating cross-functionally within Agile workflows to deliver solutions that drive productivity and user satisfaction. Holds a BA in Experience Architecture and a Minor in Mathematics.

SKILLS
